## ARCHITECTURE OF NELSON MANDELA BAY: 2000 - 2013

EDITED BY ALBRECHT HERHOLDT

**DOT Matrix Publications**

*Coastal Contemporary* celebrates the architecture of Port Elizabeth and its Metro completed between 2000 and 2013. Fifty five meritorious buildings are presented in five categories: Public & Institutional Buildings, Commercial & Industrial Buildings, Residential Buildings, Conservation Projects and Urban Design Projects. Following five introductory essays, each project is illustrated by images, a short description and a map with GPS co-ordinates, and a list of the professional project team including QS, Engineers, Artists, Landscapers, Photographers, Contractors and Clients.
